- Try to focus on to answer these questions:

Who/What/When/Where/How/Why is it?

- Photos of people include 1 or 2-3 and many people, mostly the description about *what (s)he/they is/are doing?*

- Photos of objects may be taken indoors or outdoors; in many cases the descriptions are about characteristics of the objects being the main focus of the photos.

Please take a note that photos can be about both people and objects. Besides, the question can focus on only the minor people or object in the background.

For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer.
